

OFFICIAL NEWSLETTER OF THE IDAHO MILITARY VEHICLE PRESERVATION ASSOCIATION

FROM THE TOP

From the President

I hope everyone is surviving the winter and staying warm. We've been lucky to have a pretty mild winter so far. This is the time of year to work on those military vehicles. Get them ready for a very busy season coming up.

We won't have a meeting in February as there isn't very much happening. We will have one in March on the 7th. We had our January meeting and elected officers. Most of us just stayed in the same position for the coming year so please attend.

We are going to try again this year to post any upcoming events and the point of contact for that event. We are going to try to post this on the website, on email and on the door to my shop so everyone can see it at the meetings. If anyone knows of an upcoming event please contact me with the information so we can get it on the schedule.

• IMVPA minutes

IMVPA meeting was held in January and officers were elected. There was discussion about updating the IMVPA flyer in order to create a handout. This bi-fold or tri-fold would be passed out to anyone who is interested in our activities, shows or events. POC for this is John Downs so get with him if you have ideas that should be included, or if you'd like to help out.

Other notes: dues should be sent in now. Cost is only \$20 a year.

-Upcoming events will be listed online, in the newsletter, in email and on the shop door.

-If anyone learns of an event however they can let any of the officers know. This can be a parade, a show or something else.

-There was no newsletter for January because the editor had surgery. If anyone would like to help out as newsletter editor, please step forward. Please. Pretty please. With sugar on it yay

-Welcome to 2023! No meeting in February. But meetings will resume in March to discuss future events.

I'm a procrastinator, not a speler. It's over a month into 2023 and I didn't get to this newsletter article in January, and that's why there was no newsletter last month. (Uh, the world don't revolve around you bruh –ed)

It's too cold to work on my MV and I left it in quite a bad way last fall. But I'm sure there's plenty of time to do maintenance, get it running, fill up tires with air and make it safe. I'd like it to warm up first though cause It's so cold out there I smashed a finger with my wrench and it was two hours before I felt it.

This new year is gonna be bad, I can just feel it. Why do I gotta pay dues? (We had a free year cheapskate –ed). Why's it so cold? Why can't I spel?

This year it seems like some events are starting in March and April and that ain't cool 'cause it's still cool outside. Last year there weren't enough events, and this year there's already too many. Who do I complain to? (Come to the meetings once in a while –ed)

Our leaders must be slacking. We need just the right mix of events, and the weather needs to be perfect, not too hot, not too cold. And we can't let things like flu, or da covid, or other things like people's safety get in the way. I hope we get some good changes for 2023. I mean I ain't gonna help, I'm just gonna complane. I'd help if I could, maybe, but I can't. Heck I can't even spel.
