

OFFICIAL NEWSLETTER OF THE IDAHO MILITARY VEHICLE PRESERVATION ASSOCIATION

FROM THE TOP

From the President

A rough season it's been with our second year of Covid 19 and all it's related problems. Fewer shows and events and smaller shorter meetings, but it's all bound to end before too long. At least I hope it does so we can get back to a normal season of events.

We will have our meeting on Tuesday November 2 at 6 PM at Gates & Associates 604 N. 36th St., Nampa, ID.

We have had some changes and cancellations in events. Chrome at the Home was always a fun show put on by the POW/MIA club but it was cancelled because of Covid concerns.

IMVPA CLUB OFFICERS

President: Bruce Gates
Vice President: Matt Wrobel
Treasurer: please volunteer
Quartermaster: been open since 2017
Secretary: Secretary Fairy Services LLC
Social Media Director: Benjamin Sterling
Website, Newsletter Editor: Ron Powell

Spotted: Tiny combat boots. For Lil' feet. Yeah that's all we know.

We will have the Marine Corps and POW/MIA club Toys for Tots kickoff event at Quinn's Lounge on Vista on November 7. We usually do a parade from High Desert Harley Davidson to Quinn's Lounge but that has been changed. Stacie Mowrie and I will do this event as they want a 5 ton truck and my Marine Corps M37.

We will do a small show during the day at BSU on the Quad but they only want two Jeeps there so Karen Wadley and Wayne Butterfield will each take a vehicle and cover that one.

We are going to have the Golden Corral show again this year but it is going to be held on Veteran's Day instead of Monday and they would like as many as possible of us to show up. They would like us there about 4PM and stay until 7PM or 8PM. This is on Cassia St. in Nampa in front of Home Depot off Karcher Rd.

At the November meeting we will discuss the Christmas party.

It was in the news...

Boise Veteran's Day Parade is cancelled this year. I guess the price of gas is too high to drive 1 mile. I even got the covid vax card ready to show. Oh poo.

Oregon illegal pot grows: more calls to send National Guard. The AP reported illegal industrial scale pot farms are getting so brazen that we may need the army. At least Oregonians are giggly about it.

Troops opposed to the vax may get a waiver, but they will be rare. Military Times reported there are currently 106 exemptions out of a total army of over 1 million soldiers.

Firefighter and IMVPA officer Benjamin will be climbing 69 flights of stairs with an extra 60lbs of gear on. Here's the list of IMVPA folks who will be racing him to the top: 1. Mr. Far E. Tail, 2. Ms. Blinkdumssdt, and 3. Senior Nowah Jose.

Firefighter Stairclimb; Leukemia and Lymphoma Society. Climb, Conquer, Cure -article by Ron

Our Social Media Director Benjamin is a Firefighter, First Responder, new(ish) dad and he fights to defeat cancer! As awesome as he is he can't do this alone and needs our help!

The LLS Firefighter Stairclimb is the world's largest on-air stair climb competition, and annual fundraiser held at the Columbia Center. All 2,000 participants are career, volunteer, or retired firefighters who will climb up the second tallest skyscraper west of the Mississippi in full turnout gear, weighing over 60 pounds, while on-air. Throughout this grueling course, we all remember that every step forward is representative of moving closer to a cure. Although this is an extreme test of physical endurance, it pales in comparison to what blood cancer patients endure. All proceeds raised directly benefit The Leukemia & Lymphoma Society, and since its inception in 1991, this event has raised over \$20 million thus far. Thank you Bruce, Benjamin and Ron for donating so far. Let's add your name to this list and it'll be in the newsletter! Or reach out to us direct if the link gives you issues. 69 flights of stairs plus 60 pounds of gear! Wow!

The Angry Jalapeno

breakfast this morning was ham eggs and a commissary jalapeno which looked friendly enough. Apparently it should have been cooked until it was jerky because it was so hot the steam from the pan caused an emphysema like cough, followed by covid symptoms. With the third bite came a burning in the throat and tongue, followed by a stomach ache that hasn't been this bad since eating at Chico's Tacos in El Paso Fort Bliss. Then came violent hiccoughs and a flapping of arms just like they taught us in the gas chamber in army training. But somehow i must have rubbed my right eye and guess what. This angry Jalapeno remains even though I washed my hands with soap and water. There's a life lesson here but i'm not sure what it is.

Idaho Veteran's Network 2021

On Saturday September 25 the Idaho Veterans Network had a charity ride from High Desert Harley Davidson in Meridian. They asked for some trucks to show so Stacie Mowrie brought his 5 ton truck and Bruce Gates brought his M37.
